

**I'm here  
Today  
After all  
It's true  
I'm in  
The way  
I've found  
His truth  
I'm alive  
And see  
No one  
Needs to be  
Dead  
When life  
Is in you  
I'm here  
Alive  
*A new day  
has dawned  
a new way  
of seeing  
a new purpose  
a new method  
a new type of being  
other  
than I've know  
other  
than I've been  
other  
than any I've seen  
or imagined  
other than I thought  
I could be  
His way  
In me.***
