

*I want to tell you
Of the love I have
inside
Have inside.*

*It's a love I've been
holding
Inside for you
For you.*

*Where you been,
My man?
I been lonely for you,
I don't know what
to do
With this love
I have inside.*

*Lies.
I told you once again
Been a long time since
A man's been my friend
You come on in
And be with me*

*Inside
 Inside
 Inside, my friend
 Let's end it here
 Inside no fear
 Let me be near
 Where you are here
 Let's live as one
Do this be done
It's love begun
In here
 Inside of me
In here
 Inside of me
In here.*
