

The wonder of wonders
Is the life of me
The precious blood shed
Makes me free
The wonder of wonders
Has been shed for me
On Calvary.

Oh, He lives,
I am a wonder in His presence.
He lives!
I am a wonder forever
He lives!
My God, He lives in me.

There is a wonder in my heart
It is Jesus.
There is a wonder in my heart
He'll never leave us
And though my heart and mind grow dim
I can still rely on Him
He is my heart and soul
My Jesus!

Oh, He lives
I am a wonder in His presence.
He lives!
I am a wonder forever
He lives!
My God, He lives in me.
